- IP Mask: from DHCP (255.255.255.0 without DHCP)
- Password: Empty (no input required)

**User Manual**

Complete user manual can be downloaded here:
[http://www.cuesystem.com/user_manuals.aspx](http://www.cuesystem.com/user_manuals.aspx)

**Installation**

1. Install wall adapter on the electrical wall box and provide additional fixing by four delivered screws and fasteners.
   - Additional fixing is strictly recommended for this type of panel.
   - Use delivered screws or keep maximum screw dimensions as described below.

2. Connect network cable and put the touch panel on the wall adapter.

3. Carefully tighten the fixing screw to fix touch panel on the wall.
